

# THE DAYS WE WILL REMEMBER

# THE WORK

# THE LIFE

From synchronized mental breakdowns to birthday parties, from Spar coffee runs to the best karaoke night out,

from cheerful Bouwpub evenings to sunny picnics and beers,

there has not been a livelier group of students than the MS3 Class of 2022.

This collection of memories captures some of the moments where we came together over the last year.

Enjoy your walk through memory lane.

**THE NIGHTS WE WON'T FORGET**
